V INTERNATIONAL WORKSHOP ON ENDOSCOPIC EAR SURGERY

3 DAYS LIVE SURGERY

International Guest Lecture
Live Endoscopic Cadaveric Dissection
Live Microscopic Cadaveric Dissection
Panel Discussion
Video Session

Course Directors
Prof. Livio Presutti,
Dr. Daniele Marchioni
University Hospital of Modena (Italy)

5-7 May, 2014
Modena, Italy
Aula Magna, Centro Servizi - University Hospital

Department of Otolaryngology,
Head and Neck Surgery
Director: Prof. Livio Presutti
This fifth international meeting is an expression of the work of all IWGEES. The aim is to show, mainly with the live surgery, the existing possibilities of endoscopy in the treatment of ear disorders. The technique is young but the experience is well-established. The prestigious International Faculty is a guarantee of the interest of these three intense days. I look forward to welcoming you to Modena, city rich in history, culture, good food and engines.

Prof. Livio Presutti

Live surgery from two operating rooms will be broadcast simultaneously on two screens placed in the conference room, with continuous interactive communication with the surgeons.

Scheduled surgical interventions:
- Endoscopic myringoplasty
- Surgical treatment of attic cholesteatoma by an exclusively endoscopic approach
- Combined micro-endoscopic management of extensive cholesteatoma
- Open endoscopic management of extensive cholesteatoma
- Surgical removal of acoustic neuroma through a combined retrosigmoid-endoscopic approach
- Surgical removal of neuroma in the internal auditory canal through an exclusively endoscopic transcanal approach
- Endoscopic stapedectomy
- Endoscopic ossiculoplasty
- Endoscopic implantable prosthesis
- Endoscopic cochlear implant
- Endoscopic revision tympanoplasty

HANDS-ON COURSE ON ENDOSCOPIC EAR SURGERY
Arezzo May 8, 2014

COURSE DIRECTORS: Livio Presutti, Daniele Marchioni
INTERNATIONAL FACULTY: Mohamed Bad-El-Dine, Seiji Kakeata,
Lela Migirov, Joao Flavio Nogueira, Muaaz Tarabichi
Congress venue: ICLO - Via A. Einstein 12 - 52100 Arezzo, Tuscany, Italy

Program

MAY 7
Afternoon departure from Modena to Arezzo
8 p.m. dinner in a local Restaurant

MAY 8
08.00-08.30 Course presentation
08.30-13.00 Hands-on
13.00-14.00 Lunch
14.00-17.00 Hands-on
17.00-18.00 Closure of the Course, Certificate delivery

The dissection will be organized step by step, a Tutor will perform the same step on a master station.
At the end of the Course will be delivered the video of the dissection performed on the master.

We will provide for each participant:
• an anatomical part that includes the pinna, the external auditory canal and temporal bone with its contents.
• an endoscopic system with optical STORZ 0° and 45°
• a set of surgical instruments required for the endoscopic dissection

The endoscopic view and dissection of the ear allows you to understand all the anatomical details with anatomical variations of the tympani cavity. The aim of the course is to provide a thorough understanding of the anatomy of the ear, from the external to the internal auditory canal, to illustrate the principles and key times of endoscopic surgery of the ear.

The Registration fee (€ 980, VAT included) entitles participants to:
• transfer from Modena to Arezzo in the afternoon of May 7
• one dinner with transfer in a typical Tuscan Restaurant
• the accommodation (1 night) on a 4stars hotel
• the educational material
• one Coffee-break
• one Lunch on May 8
• one anatomical Specimen per Participant
• Insurance
• Certificate of Participation

at the end of the Course there is no transfer for places of return and each Participant must provide independently. The Organizing secretariat is available to provide all the information necessary
